§

**MEMORANDUM ADOPTING REPORT AND
RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE**

Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant's supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is therefore **ORDERED** that the Report and Recommendation of United States Magistrate Judge is **ADOPTED** as the opinion of the Court.

It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**.

It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of eighteen (18) months, with eighteen (18) months of supervised release to follow.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

You must provide the probation officer with access to any requested financial information for purposes of monitoring your efforts to obtain and maintain lawful employment;

You must not possess or consume any alcoholic beverages;

You must participate in a program of testing and treatment for substance abuse and follow the rules and regulations of that program until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing;

You must participate in any combination of psychiatric, psychological, or mental health treatment programs, and follow the rules and regulations of that program, until discharged. This includes taking any mental health medication as prescribed by your treating physician. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing; and

You must reside in a residential reentry center or similar facility, in a prerelease component for a period of 180 days to commence immediately upon release from confinement and shall observe the rules of that facility. Upon securing a suitable residence approved by the U.S. Probation Officer, you shall be released from the facility.

The Court also recommends that Defendant be housed in a Bureau of Prisons facility in Florida, if appropriate.

IT IS SO ORDERED.

SIGNED this 21st day of February, 2023.

AMOS L. MAZZANT
